

The SOCIETY of EX-TABLERS

The Honorary Secretary

*Dear Bob,*

*on behalf of the members of the Society of Ex Tablers I offer you our best congratulations on your honouring as the*

*8. Honorary Member of 41 INTERNATIONAL.*

*We are very proud to see you as one of those four Honorary Members of the International Association of former members of Round Table who are members of SET. You are one of those three Honorary Members of 41 INTERNATIONAL who belong to OLD TABLERS DEUTSCHLAND too and one of those two OTD-Honorary 41 INT. Members who are still alive. The honouring is remarkable because you are the first Ex-Tabler as Honorary Member who never before has been President of 41 INTERNATIONAL. So we impressively see you earning the deep gratitude for your outstanding work in favour of our community of former members of Round Table.*

*As we know very well this success would never had been possible without your very popular wife Gisela. So we cordially congratulate her too. At first we congratulate on her fantastic husband and secondly on her support of your service to the community of former members of Round Table.*

*Cordially,*

*Yours in Table*
