

41 Club
CONTINUED FRIENDSHIP

AGM Supplement

Welcome to the 2011 AGM

Good morning Gentlemen! I do hope that those of you who attended last night's Banquet and Ball enjoyed the occasion as much as I did. What a great evening and what fantastic music and musicians!!!

Today we turn our attention to the business of the Association before we party again tonight! The AGM is about the long term future of the Association. Your National Council report on their work over the past year and also bring before you proposals they consider to

be in the best long term interests of the whole Association.

41 Club GB & I is a very broad 'church' with a wide spectrum of approaches and views as to how we should 'be' 41 Club. The responsibility that we share today – as at every AGM - is to consider what is in the best interests of our Association as a whole as we endeavour to fulfil our revised Purposes and Objects which we unanimously agreed and adopted last year.

Once again, my thanks to the Conference Committee who have worked so hard to ensure that we have a great time here in Ipswich.

Malcolm

Welcome to Ipswich Conference 2011 and the 45th Tangent Day and National AGM. The final chapter in what has been an extraordinary year for me attending so many events and celebrations, not least of all, our own 40th charter luncheon in Nottingham. What a day.

It is fantastic news to hear that Conference is sold out and I am overwhelmed by the number of Ladies attending our Tangent Day lunch and also our National AGM. Your support for the Association on this day is very much appreciated. To have so many of the Round Table family sharing this weekend is a positive sign for the future of our Associations.

Good Luck to everyone for this very special weekend in our calendar and I wish both Associations the very best for their National AGMs.

Finally, a great big "Thank You" to the Ipswich committee who I know has put in hours of extremely hard work into organising the event so that you will have a great time this weekend. I am sure when you leave Ipswich you will look back with many happy memories of the "Friendship and Fun" we will share as members of the Round Table family.

Gill

Welcome to Ipswich.

I hope you have already had the chance to experience the warm welcome Chairman Ian Mackenzie and his Conference team have worked extremely hard to organise for us all; from the Welcome Party to the Presidents Ball. I also hope you have had the chance to meet up with old friends and hopefully you will come away with many new ones as well.

Today we have the AGM. I hope it combines the usual blend of humour, as well as having its more serious side. Please take the opportunity to listen and contribute to the debates before you vote – but above all have an enjoyable time!

Yours in Continued Friendship

Vaughan

Firstly can I say thank you on behalf of not only my fiancée Karen, but also the membership of Round Tables Great Britain and Ireland for your kind invitation to attend your Conference in Ipswich and address both 41 Club and Tangent Annual General Meetings.

At the beginning of the year all four Presidents made a commitment to work together moving forward to try to ensure the longevity of our respective Associations and the Round Table family

We have been lucky as Presidents this year to be able to attend a number of meetings together and to hopefully have left foundations for future Presidents and Executives to build upon.

I would like to thank you all for your support both on a personal level and for Round Table, especially President Malcolm and Vice President Vaughan, I wish Vaughan and his new executive congratulations on their appointments and good luck for the coming year.

It has been a pleasure and an honour to work alongside your President and the members of 41 Club this year and I wish you all a fun and successful Conference
Yours in Table **Kilsh**

Community Service and Welfare Officer (CSWO) - Vote Today

At last year's National AGM we did two extraordinary things.

The first was to maintain our membership in line with our heritage, former members of Round Table.

The second was that we voted to adopt four Objects that align very closely with the Aims and Objects of Round Table.

Today National Council is bringing a motion to the AGM to adopt a new National Executive role of Community

Service and Welfare Officer (CSWO). The description of this role has been circulated with the AGM papers and follows a year of consultation through this Newsletter, 41 Club Magazine and one to one discussions with various groups.

If you wish to support this motion, please do. If you don't then please allow those that do the opportunity to show what we in this marvellous organisation can do. Already 41 Club International are in conversation with ShelterBox to support them, not just with funding but awareness and sharing of skills and talents from a global pool of 41 clubbers that showed in their Round Table days that they could make a difference.

If you are worried about the cost, please ask the National

Treasurer about the provision for an additional council member in next year's budget. Don't let a few pence on capitation stop us from making a significant step towards improving the lives of thousands.

If you think that this was what you did in Table and now want a quieter life, then please remember that you can, others may wish to have the chance to do something with their time and talents for the community. This role will allow you to join in or not, it is up to you.

Adopting this new role is not a change to turn us into a fund raising organisation, we have always done that; look at our legacy with Air Ambulance and Help for Heroes. It is our chance to put in place support through actions and deeds for our family, friends, local, national and global communities.

Before you vote on this motion please think forward to the next time you will be sitting down at a 41 Club meeting and remember our Grace.

"As we enjoy this food and fellowship may we be ever mindful of those less fortunate. Amen"

Yours in Continued Friendship

Alan Pattinson, National Councillor, Region 9

Welcome to the Jewel of the Channel Islands

There's a '2' at the end of '2012' so that can only mean we are off to Jersey to celebrate the Association's Annual General Meeting and Conference. The superb Hotel de France will be the Conference Hotel and is the venue for all the functions. Paul Harding is your Conference Chairman and he and his team are waiting to welcome you to this unique island location. A full programme of fine food, fine wines and plenty of fun has been prepared for you and you will want for nothing as each day has plenty to offer. Look forward to seeing you there.

Dick Stanley,
National Conference Officer
