## Adventure under Sail with Ocean Youth Trust Scotland

**Join the President's charity, Ocean Youth Trust, for a cruise in company on the west coast of Scotland, one of the world's most beautiful cruising grounds.**

Ocean Youth Trust is proud to be the 41 Club's National President's charity in 2010/11. To mark the occasion, we are offering 41 Club members their own special adventure under sail. Join Ocean Youth Trust Scotland for an amazing sail on the west coast of Scotland from 6th to 12th September aboard one of our two Challenge 72' ocean racing yachts. These outstanding boats have circumnavigated the globe as part of the BT Global Challenge. They are strong, fast and exciting, and very well suited to adventure sailing. You can get fully involved - hoisting sails, helming, navigating, helping in the galley, as well as enjoying the spectacular scenery. With expert guidance, this voyage is for novices and yachtmasters alike. Come sailing with us and you can gain experience on a big boat, get an RYA sailing qualification and see the President's charity at first-hand.

**WHEN:** 6th – 12th September, from Greenock on the Clyde.

**HOW MUCH:** £510 p/p includes food, safety gear, waterproofs, qualified skipper and sea-staff. Min/max 12 places per boat. Over 18's only. Booking deadline: Friday 24th June.

**Adventure under sail**  
**Inspiring young people**

The Trust inspires positive change in young people through the challenge of adventure under sail. Residential voyages aboard our vessels provide a powerful and extremely effective environment for personal development from which young people increase their self-confidence, responsibility, respect and ability to work in a team.
