

New experiences, fun and fulfilment: try the Round Table family

(Town) 41 Club, also known as the Association of Ex-Round Tablers' Clubs, is joining up with the local Round Table and Circle Clubs to show local men and women that they can find fun, fellowship and fulfilment through becoming a part of the organisation.

Round Table is a club for businessmen aged 18 to 45 to socialise, network, have fun and take part in social responsibility initiatives. Activities include golf days, sporting activities, general social activities, dinners and charity events.

Circle Club is the ladies' association, made up of Round Table members' wives or partners and, more recently, opened up to all businesswomen aged 18 to 45.

“Round Table and Circle Club are all about new experiences that one might not otherwise have had the opportunity to have,” says (name), Chairman, (town) 41 Club. “In this day and age, many people are looking for ways to maximise their circles of contacts in ‘real life’ as opposed to online, and to do their bit for the community or charity. Our family of clubs can provide all of that, as well as promising a great deal of fun along the way.”

41 Club was established in 1945 to provide an outlet for continued fun, fellowship and community work for businessmen once they reached 40 and had to leave the Round Table. It is comprised of 820 clubs across the UK and Ireland, all of whom meet for dinners, sporting activity and fundraising initiatives, to name a few. 41 Club and Round Table are a part of the worldwide Round Table Family of clubs representing some 80,000 members. Membership of 41 Club alone is 18,500 in the UK, with a further 22,000 in 39 other countries around the world.

This ‘Get one in’ campaign is part of a national campaign by all UK 41 Clubs to support the growth of Round Table and Circle Club. For more information please visit www.41club.org or contact (NAME OF CLUB) Chairman (NAME) on (TELEPHONE/EMAIL)
