The Funny Side

The funniest jokes from this year's Edinburgh Fringe:-

"I keep randomly shouting out 'Broccoli' and 'Cauliflower' - I think I might have florets." - Olaf Falafel

Runners-up:-

"Someone stole my antidepressants. Whoever they are, I hope they're happy." - Richard Stott

"What's driving Brexit? From here it looks like it's probably the Duke of Edinburgh." - Milton Jones

"A cowboy asked me if I could help him round up 18 cows. I said, 'Yes, of course - that's 20 cows.'" - Jake Lambert

"Sleep is my favourite thing in the world. It's the reason I get up in the morning."
- Ross Smith

President's Report

The last few weeks have been busy with 41 Club events commencing with the Club River cruise where Mildred and I accompanied 17 other couples. We had a good time with sunny weather, fine food and even better fellowship. I have already booked for next year's cruise to Bordeaux and the north of Spain. As of early September there were 16 booked in. Thanks must go again to Ray Hill for organising this event.

I have recently met Blackburn Greys 41 Club to help them celebrate the 40th Anniversary of their twinning with Schweinfurt (Germany) 41 Club. (The photo above shows Schweinfurt 41 members and Peter Ramsbottom Chair of Blackburn Greys 41 Club.) One of the events was an ice curling competition at the fantastic new facility at Barton Grange, Nr Preston.

We are just back from the Camping and Caravanning weekend which was held in Hawes in the beautiful Yorkshire Dales. Most of the weekend was dry, sunny but a little windy. The marquee did in fact blow away on the Saturday afternoon which caused the organiser Kevin Lovett some problems but all was sorted for the evening

event with an outside hog roast and live music. We had around 20 caravans along with others stopping in lodges and the farmhouse. Amongst those attending were four 41 Club members from Bielefeld / Ostwestfalen-Lippe 42 (Germany).

I still have some dates free in my diary from December 19 till the end of March 2020. Please invite I will be happy to attend if available. Please contact president@41club.org

Thank you for all your support for our charity this year the RNLI. Our next major event is the joint President's Ball at Crewe Hall on Saturday 29 of February 2020. Please contact me direct for ticket details or check the 41 Club website.

Andrew

Zip Update

The August Newsletter featured the fundraising activities of Mark Powell from Northwich 41 Club and his friend Jonathan Thomas; well we are please to report that they successfully completed the Titan Zip Wire Challenge and in the process has raised £1700 for Nightingale House Hospice a further £1600 has been raised to share between 4 hospices in North & Mid Wales (Hope House, St Kentigerns, St Davids and

Severn Hospice) making a grand total of £3,300.

The weather was excellent albeit a bit on the windy side Mark (who is scared of Heights) said "the first zip wire was okay the next two were terrifying!!" Would he do it again "Oh go on" was his reply. Pictured with Mark is his good friend and wing man for the day Jonathan Thomas.

Yet More Fund Raising by Northwich - this time by members of the Northwich 41 Club & Northwich Ladies Tangent Club for the 2019 Joint Presidents Charity - The RNLI

Simon Clough (Past Chair of Northwich 41 Club) and his wife Frances Clough (Past Chair Northwich Ladies Tangent Club) recently hosted three separate Charity Pizza Parties at their home in Hartford. Over 60 guests including partners from 41 Club, Tangent & RT attended and the amazing sum of £650 was raised for the RNLI being the Joint President Charity for 2019. Everybody who attended had a great night out and were happy to support these fabulous fundraising events. Simon & Frances were thanked by all for giving up their time, garden & home to host.

Picture one below is of Simon, Frances and 41 Club Sergeant at Arms Dave Beck aka Sous Chef who were very busy prepping & cooking the pizzas, salads, and making desserts. Pictures 2 shows Tangent President Sue Hill (centre) with husband Ray Hill and Mrs Kath Beck of Northwich Tangent (wife of sous chef Dave Beck).

LET'S TALK

about how our partnership packages work
Speak to Carly or Julie at Mary Ann Evans Hospice on 02476865440

We have provided our services totally free of charge to Nuneaton, Bedworth, North Warwickshire and surrounding areas for over 25 years.

The NHS gives us less than 25% of our £2.2 million running costs.

We need to raise over £1.7 million this year just to break even.

WHAT YOUR SPONSORSHIP WILL FUND

£100	Funds one Lymphoedema treatment
£500	Funds 5 people requiring Bereavement and Family Support Service
£750	Funds our share of costs of the Rapid Response service for 3 nights
£1000	Funds Day Hospice for 1 day supporting up to 15 patients.
£2500	Funds our Hospice at Home Team for 2 days and 2 nights supporting more than 10 patients.

Since retiring back in 2015 John Barrett has, luckily he says, enjoyed good health. This has allowed him to participate in quite a few adventures including swims at both the North Pole and way down South in the Antarctic Peninsula, following Shackleton's steps by walking across South Georgia and face to face with big Orangutans trekking through the jungles of Sumatra to name a

few. Well now for the next and probably the most difficult, both mentally and physically, challenge he has faced – in his 70th year – trekking to Everest Base Camp in October.

A little history here – for the last two years he has really enjoyed serving as a member of the board/trustee of Mary Ann Evans Hospice in Nuneaton, also part of the fund raising team. They do a fabulous job as the main provider of vital palliative and end of life services to North Warwickshire and beyond. They provide all services free of charge and receive a paltry 25% funding from the various Government sources. That means that this and every year they have to raise something like £1.7 million to survive.

Despite how hard it is to obtain funding, Mary Ann are expanding their services in a hugely needed area – their Rapid Response Team which provides new and innovative care in the patient's own home in their last hours is now a 24/7 service. Illnesses do not fit the normal 9 till 5 working pattern so our new night service, with response times of less than an hour, have made a massive difference to both needy patients and their families.

The cost of this service for one year is £70,000 which has led a group of 20 flying to Nepal on 6 October – most are of advanced years, a real mix of abilities and experience all determined to get there and back safely, a profile of 15 medical practitioners (consultants, surgeons, doctors), banker, accountant, engineer, governor and two at university, all happy to be classed as a right motley crew. To support John in his endeavours go to <https://www.justgiving.com/fundraising/john-barrett18> See above for a unique offer to corporate supporters, who can have their logo on Base Camp.

Worthy of support by any who can.
